PHILANTHROPIC INITIATIVE

Madtown Bhangra is the only collegiate Bhangra competition that actively encourages a full philanthropic endeavor, with the majority of registration costs going into a prize pool.

All of the proceeds will be donated to charities chosen by the top three placing teams. Each team that enters the competition will select a charity and Madtown Bhangra will make the donation on behalf of the winning teams. The [Application Form](#) will have a section for each team to fill out details regarding their chosen charity.

In this section, provide the name of the charity, a short description, and proof of legitimacy. Post-acceptance, each competing team will submit a 30-45 second video of 1-2 people explaining the charity they chose and why they chose it. We would like to thank all prospective teams for contributing to many great causes!
